Councillor Ed Gibbons
City of Edmonton

OFFICIAL LETTER OF RECOGNITION

Dear Ed,

On behalf of Alberta Avenue BRZ and its Board of Directors, it is my sincere pleasure to present you with this *Official Letter of Recognition*.

When I first met you upon taking over at AABA in January 2008, I was immediately impressed by your professionalism as a politician and the commitment and involvement you showed towards Alberta Avenue.

You have always made yourself available when needed whether it was to answer a question, or to do an inquiry for us at City Council or making the effort to attend some of our board meetings, even after a tiring day.

You will be missed by many people in our BRZ and we wish you all the very best in your endeavors to become Councillor for Ward 4.

You are a true Champion!

Please accept the enclosed gift as a token of our appreciation.

With Best Regards,

A handwritten signature in black ink, appearing to read 'Joachim Holtz', is written over a horizontal line. The signature is fluid and cursive.
