Dear Ed,

I am writing this short note to thank you for your participation in the recent reception of our soldiers serving in Afghanistan as part of Task Force Headquarters 5-09. Your presence demonstrated to our returning soldiers that the City of Edmonton is behind them and that our municipal government is willing and ready to do the its part to support them.

I would also like to thank you for joining me in personally welcoming home each and every soldier from the Task Force. I assure you this is a sign of support and respect that is much appreciated by the soldiers. The work that you have done with the Edmonton Salutes has been inspiring and outstanding. Despite your busy schedule, you have made every effort to be available for all key events. You have proven to be a truly loyal and reliable friend and partner.

I will conclude by thanking you once again for your continued outstanding support to and involvement in the military community in Edmonton.

Sincerely,

Addressed To:

Councillor Ed Gibbons
