

Ed Gibbons

Edmonton City Councillor Leadership Overview

Raised on a family farm near Gibbons, Alberta, Ed Gibbons is a dedicated husband, father and community leader.

Married to Carolyn for over 40 years with three grown children - Mark, Darren and Margo - Ed has been a proud Northeast Edmonton resident and supporter for over 34 years.

He is a community leagues volunteer, a former MLA, and a three term [soon to be four] Edmonton City Councillor with a well-earned reputation of service to his constituents.

Always readily accessible to his constituents and neighbours, Ed Gibbons ...

- Provides proven leadership in maintaining an attractive, family-oriented, business-friendly community
- Supports community based policing and Neighbourhood Empowerment Teams
- Supports the dynamic redevelopment of Fort Road, Alberta Ave. and Belmont business zones
- Supports sustainable development, affordable services and recreational opportunities
- Supports appropriate redevelopment of older communities for both new and existing residents
- Provides proven leadership to provincial and regional committees in developing project funding and support
- Is working to improve security at LRT stations
- Is working to improve policing throughout the community
- Is working to resolve parking issues in communities that experience significant influx during special events
- Is working to benefit special areas such as Little Mountain, the Brintell saline site, Shonse Wetlands, McChonachie, and our River Valley parks and trails
- Is working to assist community groups in planning appropriate development within the rural zone

- Is working to develop the Northeast Land Study for future growth.
- Continues to expedite funding for sound attenuation barriers in northeast communities still waiting for buffers to rail and road noise
- Continues to facilitate Domtar land reclamation negotiations
- Is working with administrators and developers to ensure the appropriate growth of our community
- Is working to give 167 Avenue "urban street system" status thus laying the foundation to rebuild it as the collector roadway it has become
- Is working to expedite the development of exits from Matt Berry and Hollick Kenyon neighbourhoods
- Has provided leadership establishing waste collection services for Horsehills residents
- Has provided leadership in the completion of 153 Avenue to Manning Freeway into Clareview
- Has provided leadership to reduce high density numbers planned for the Matt Berry neighbourhood
